

Support Connection's mission is to provide emotional, social and educational support services to women, their families and friends affected by breast and ovarian cancer. The support provided enables women to help each other and empowers them to become their own healthcare advocates.

We've been there. We care.

November 12, 2012

Dear Kevin and members of BK Party Band,

Thank you for being a **Major Sponsor** of Support Connection's 18th Annual Support-A-Walk that was held on October 7, 2012 at FDR State Park in Yorktown Heights, NY. Despite the early morning rain, a beautiful day emerged as thousands of walkers arrived. People walked to celebrate and remember life, and increase awareness that breast and ovarian cancer touches many lives. Over 200 volunteers, ranging from young children to senior citizens were there to make sure all went smoothly. The message of the day was very clear; no one has to be alone while dealing with cancer. Support Connection is here to offer free, confidential breast and ovarian cancer support services.

Your dedication has helped make our Walk a huge success, enabling us to increase awareness about breast and ovarian cancer, while celebrating and paying tribute to the lives of those affected by these diseases. Due to your generosity and opening your heart by being a **Major Sponsor**, you are insuring that we will be able to maintain and enhance our support services. At this time we are still receiving Walk donations and expect to reach our goal of raising \$250,000. *We have enclosed a copy of the Thank You Ad, listing your name that was published in the newspaper.*

Since 1996, Support Connection has offered help and hope to thousands of people. Support Connection is unique because our peer counselors are cancer survivors, so they provide help from the perspective of someone who truly understands. The demand for people seeking personalized support from our counselors continues to grow every day. Until a cure is found, we vow to be here supporting people affected by breast and ovarian cancer. Again, you are helping to make that possible.

On behalf of all the people whose lives we touch, thank you for sponsoring and believing in us. You have truly helped make a difference and we are looking forward to our 19th Annual Support-A-Walk to be held on Sunday, October 6, 2013!! We hope you can join us once again!

Gratefully,

Katherine Quinn
